Parasky Flute Studios: 2010 Summer Term

The Summer Term runs from June 14, 2010 - August 12, 2010. Lessons are not scheduled on the dates that are shaded in black. Students will be scheduled for a **free introductory lesson** before the summer term starts to get acquainted with Mr. Parasky and his teaching style. You will be contacted via phone or email to schedule the first free lesson.

You should plan to attend six lessons over the eight week summer term. It is suggested that all new students begin with 30-minute private lessons. Different lesson length options are available during the school year term. This gives you the room to miss two weeks for family vacations. If you cannot attend 6 lessons or would like to schedule **more** than 6, a personalized tuition plan will be developed according to the number of lessons you can attend.

Tuition is due in full at the first scheduled lesson. Please make payment accordingly in cash or check payable to "Dan Parasky" or log onto the tuition page of the www.paraskyflutestudios.com to pay with Pay Pal. Please note that equal monthly budget payments are a tuition option during the school year term (scheduled from September 2010-June 2011) and payment in full is not always required.

6, 30-minute private lessons = \$135

Lesson times are available Tuesday-Thursday during the time slots indicated on the registration form. Students are asked to select a minimum of three lesson day/times for scheduling purposes. Flexibility is appreciated!
